## RIBCRAFT 7.8 Mitigator

<b>Manufacturer</b>	RIBCRAFT
<b>Model</b>	7.8 Mitigator
<b>Year</b>	2003
<b>LOA</b>	25'10"
<b>Beam</b>	8'10"
<b>Hull Color</b>	Black
<b>Tube Color</b>	Black
<b>Engine</b>	225HP Honda
<b>Hours</b>	75
<b>Location</b>	Massachusetts
<b>Asking Price</b>	\$79,000

Ideal for the boater who wants it all, this innovative and exciting RIB redefines the recreational boating experience. A real head turner, this RIB features the first true ergonomically designed console and 4 Ullman shock mitigating suspension seats with storage lockers. The custom carbon fiber antenna arch supports a significant load for towing, yet can be easily flipped down for transport or low bridge clearances. Equipped with a '07 Honda 225HP, the boat reaches speeds in excess of 45 mph. A boater's dream this RIB performs like no other!
