This 2005 RIBCRAFT 5.85 represents an exceptional value. Featuring a rescue console with a state of the art Ullman shock mitigating helm seat and four additional jockey-style pod seats for passengers, this RIB is ready for offshore passage making. Equipped with a 115HP Yamaha four stroke engine, the boat offers exceptional performance and speed. The custom painted antenna arch features flood lights for night diving or operation. Used on a private island in the Virgin Islands, this boat is ideal for both commercial and recreational boaters.
