Take home a piece of the 2008 US Sailing Olympic Team with this RIBCRAFT 5.85. Having returned from China, this 5.85 was used as a coach boat by the US Sailing Team for all of 2008. Featuring a center console with front bench seat, windshield, and a leaning post with storage, this RIB offers an open clutter free deck ideal for gear, passengers, or additional seating. Equipped with a 90HP four stroke EFI Honda outboard, the boat reaches speeds up to 40 mph. Well maintained, this boat represents an incredible value!!
