Dry sailed and stored indoors when not in use, this well maintained 2008 RIBCRAFT 5.85 represents a great value. Featuring a center console with front bench seat, windshield with grab rail, two side by side pod seats and an aft two person bench seat, this RIB is ideally suited for on water fun! The fuel injected 90HP Honda engine delivers excellent performance and unmatched fuel economy. With light grey tubes, ample seating, and "teak" cork decks, this RIB will satisfy the most discerning boater!
