

RIBCRAFT 9.0 Sub-T Certified

Manufacturer	RIBCRAFT
Model	9.0 Sub-T Certified
Year	2009
LOA	29'7"
Hull Color	Haze Grey
Tube Color	Blue
Location	Massachusetts
Asking Price	\$224,500

The only USCG Certified Subchapter T passenger for hire RIB currently on the market! Custom built in 2009 and Coast Guard Certified to carry 16 passengers, plus a captain and crew member, this 29'7" RIBCRAFT 9.0 is the ideal boat for any tour or dive business. This 9.0 is configured to offer passengers exhilarating thrill rides while not comprising safety with eleven standard pod seats, one double pod seat, and a three person aft bench seat with storage. The expansive aluminum canopy top offers great sun protection and includes two folding dive ladders, flag pole sleeves and storage for life jackets. A porta-poti is conveniently located inside of the console. The twin Honda 225HP engines provide top line speed and maneuverability. Always professionally maintained, this boat offers unique styling that captivates passengers while the deep V hull combined with Hypalon® tube delivers an exciting ride that keeps all on those on board wanting more. This boat is fully equipped and must be seen in person to appreciate all that it has to offer the business owner.
